## Prescription Drug Take Back Event

The Dodge County Sheriff's Office will be participating in a statewide Prescription Drug Take Back Event on Saturday 16, 2015. Please bring your unwanted, unneeded, or expired medications to the Dodge County Sheriff's Office between 9am and 3pm and dispose of them in the Drug Drop Box in the lower level of the Sheriff's Office.

The Sheriff's Office asks that you remove all solid, non-liquid medications from their container and dispose of them in a clear sealable plastic bag. Blister packages are acceptable as well. Liquids, creams, and sprays must be in their original packaging.

Help us to keep our community safe by disposing of these medications in a way that will keep them out of the hands of those they are not intended for, is safe for the environment, and yet convenient for everyone. As always, there is no fee to dispose of your medications.

While this event runs from 9am-3pm as we are focusing on safe disposal of medications, please remember that the Dodge County Sheriff's Office Drop Box is always available 24 hours a day, 7 days a week, and 365 days a year.

Attached to this press release you will find a flyer for the event as well as a flyer of participating Law Enforcement Agencies in and around Dodge County who also have Drug Drop Boxes.

Additional information can be obtained by contacting Sheriff Dale J Schmidt.
